## REFERENCES

To help protect vital personal information, references are available upon request.

MULTI-DISCIPLINARY DEVELOPER AND DESIGNER FOCUSED ON PRODUCING HIGH QUALITY AND ENGAGING PRODUCTS THAT ARE ESSENTIAL TO IN-HOUSE AND CLIENT NEEDS. FORWARD THINKING AND UNIQUELY VERSATILE INDIVIDUAL CAPABLE OF WORKING IN TEAM ENVIRONMENTS OR INDEPENDENTLY WHILE MAINTAINING AN ATTENTION TO DETAIL, TIMELINES AND PROJECT REQUIREMENTS.

## EXPERIENCE

### **Freelance Developer/Designer**

2010-Present

Assist clients with visual communication of their brand, products and message through the use of eye-catching designs and unique solutions. Essential tasks include logo design, corporate identity, print and media layout, web design and development.

Freelance responsibilities also include time management, project oversight, strategic thinking and quality control both for products and clients.

### **Web/Graphic Designer**

*Morgan Design Group*

2014-2016

Primarily responsible for the design and development of advertising products and campaigns for national automotive manufacturers and dealers. Further responsibilities included in-house website development and maintenance, trade-show displays, prototype modeling and animation.

### **ISO/TS Quality Management**

*Morgan Design Group*

2015-2016

Tasked with researching, developing and implementing a large scale, company wide quality management system so that the organization could become ISO 9001:2008 Certified. This position meant being held responsible for gathering and recording data and metrics, conducting internal audits and maintaining good standing while conforming to all ISO 9001:2008 specifications.

## EDUCATION

### **DESIGNATION Boot Camp**

2016

Final Project Team Leader

*1871: Designation Labs*

Accelerated program designed to introduce core concepts of UX Design including ideation, conceptualization, testing, development and implementation of web-based products.

### **B.F.A. Graphic Design**

2009

Award Winning Senior Portfolio

*Lewis University*

Degree program focusing on core fine arts topics related to Graphic Design. These included typography, web design, publication design, 3D modeling and project management.

## VOLUNTEER

### **JDRF Illinois**

2002-Present

Volunteered time and services at a variety of events around the Chicago-land area including team walks, fundraising, silent auctions and gala's.
